

# ERADICON PEST MANAGEMENT BED BUG INSPECTION PREPARATION GUIDE

**Your residence is scheduled to be inspected for bed bugs.**

A technician will perform a visual inspection of items such as your mattress, box spring, bed frame, baseboards and other furniture for bed bugs or signs of their presence.

**PLEASE READ AND FOLLOW THESE GUIDELINES:**

- FLOOR must be cleared of CLOTHING and other CLUTTER
- Rooms must be CLEANED and VACUUMED
- Space around BED must be cleared to allow access for proper inspection
- ALL LINENS must be REMOVED from the BED
- Please let the technician know if you have had any BITES or have seen any BED BUGS
- Be prepared to LEAVE your apartment for a few minutes to allow the technician to inspect

**THANK YOU FOR YOUR COOPERATION!**
